

MID CENTURY ELEGANCE

Three bedrooms, two remodeled baths, one level living, a natural flow from indoors to out and filtered views of the bay make this home a true winner. The living room, with wide plank hardwood floors and expansive windows gives you a sense of being outdoors. The large eat-in remodeled kitchen has wall to wall windows, new stainless steel appliances and a copper stove hood that hangs in the center of the room like a work of art. A charming double Dutch door leads to the level out newly landscaped yard and fireplace. Simply Enchanting!
