

ABUNDANCE OF NATURAL LIGHT

This modern beauty is unique and functional, with an elegant, spacious and warm ambiance. The flowing floor plan, generous size rooms, arched entry ways and high ceilings make this home a champion for family living and entertaining. Striking oversize wood frame windows are plentiful throughout this lovely home letting in an abundance of natural light.

GRACIOUS CHEFS KITCHEN

Designed by Jarvis Architects and built in 2000 by Scott Cameron this modern, stately beauty is unique and functional, with an elegant, spacious and warm ambiance.

The stunning and gracious gourmet kitchen with an incredible fireplace brings visions of people gathering for holiday dinners with family and friends. It is a perfect place to enjoy conversation while the chef prepares that special meal. This well equipped kitchen with Thermador Professional gas range, granite counter tops, stainless steel appliances, prep sink, pantry, and European style wood cabinets is a cook's dream. French doors lead to a slate patio and lawn area, perfect for indoor-outdoor entertaining or a childrens play yard. This exceptional room could very well be the heart of the home!
