

SERENE SETTING

Live among the trees in this lovely split-level house. High wood beam ceilings and a myriad of windows fill this home with an abundance of natural light. The updated kitchen with granite counter tops will make it a joy to prepare your favorite meals.

New decks off the living room offer serene spaces for your morning tea or coffee, to read your favorite book while taking in the fragrant air, or a glass of wine while enjoying the peaceful sunset. With a beautiful open floor plan, the two new decks and a charming vista, this home is an ideal setting for indoor ~ outdoor entertaining.
