

UNIQUE ~ CAPTIVATING ~ INSPIRING

This spectacular Tuscan-inspired hillside retreat with panoramic views will captivate you. Artfully designed by Richard Janzen, this architectural treasure features high contoured ceilings, arched doorways, Venetian plaster curved walls and a myriad of oversize picture windows framing phenomenal Five Bridge and Bay vistas.

TIMELESS APPEAL

Designed specifically for this home are craftsman made iron railings and chandeliers, created by a local artisan. The one-of-a-kind chandeliers and sconces are made of Nourrot blown glass. The glass was designed expressly to match the color tones of the home. Throughout are wide plank Hickory floors. The cut of the wood showcases its unique grain, pattern, warmth and elegance.
