

## SERENE SETTING

Enjoy peace and quiet among the trees in this lovely contemporary home. The open floor plan, with an extraordinary tree view, lends itself beautifully to indoor/outdoor entertaining. While enjoying the view you can prepare your favorite meal in the stylish remodeled kitchen. With an island counter top of honed granite, wine chiller and a direct view of the fireplace this room could very well be the heart of the home. A second large deck with hot tub is adjacent to the family room which has a brick fireplace. With wood beam ceilings and wide plank hardwood floors it's a great place to call home.
