

UNIQUE ~ ELEGANT ~ CAPTIVATING

Sophistication meets functionality in this unique Mid-Century home. The spacious floor plan and walls of windows throughout the home showcase serene sylvan views from virtually every room in the home. The breathtaking circular great room is perfect for holiday parties and gala events.

This exquisite home is overflowing with Mid-Century character. One can imagine festive gatherings and gala events enjoyed throughout the year ~ especially during the Holidays!

This Extraordinary Mid-Century home rests on nearly two acres of beautiful usable land. Made of layered stone the four bedroom and three bath home features a breathtaking entertainment room, which is truly a work of art. As you enter this unique circular room the high curved wood ceiling with arched wood beams will mesmerize you. Walls of windows surround the exceptionally large fireplace as well as the entire room. French doors lead to the lush gardens and patio. There is a full bar making this room a natural for gatherings with family and friends or entertaining guests for a formal gala event.
