

SPACIOUS ~ ELEGANT ~ REFINED

Enter through the lush landscape to this luxurious, four bedroom three bathroom contemporary home. The flowing floor plan offers spacious rooms, a beautifully remodeled kitchen, master retreat and decks on two levels. This home has a striking elegance perfectly balanced with functionality.

TIMELESS APPEAL

This exquisite home is overflowing with character and will engage you from the moment you set your eyes on it. It's a fantastic home for entertaining family and friends.

The main level features a spacious living room with high ceilings, gas fireplace and beautifully refinished hardwood floors. The separate formal dining room with canyon views sets a lovely tone for family gatherings. Cook your favorite meals in the remodeled kitchen with quartz counter tops, stainless appliances and plenty of storage space. This floor also has two bedrooms and an attractive remodeled bathroom. On the lower level, a sun room connects indoors and outdoors, opening onto the expansive redwood deck with panoramic canyon views. Adjacent is the sexy master retreat with gas fireplace and huge walk-in closet with built-in cherry wood cabinets. The master bath features stand-alone tub, limestone floors, double marble vanity, and large separate deluge shower. An additional spacious bedroom with a travertine marble bath and laundry room are also on this floor.
