This home was built to create a natural flow from indoor to outdoor. There are two large stone courtyards that have access through beautiful French doors to both Living Room and the Dining Room. It is a perfect setting for entertaining ~ Elegant, Peaceful and Inviting.

Throughout the home this architectural treasure features Brazilian Amendoim Hardwood and Bamboo floors. The cut of the wood showcases a unique grain pattern, warmth and elegance.

The laundry room is conveniently located on the second level.

There are two more bedrooms on the second level. Both offer high vaulted wood ceilings. These two rooms overlook a private brick patio.

It's the perfect hide-away room for reading your favorite novel.

The charming 'Fireplace Room' can be used as an office or bedroom. The floor to ceiling wall of windows look out to a private patio, with access from the wood framed glass door. Natural wood bookshelves flank the fireplace.

The large Master Bedroom suite features a sitting room with views of the gardens and creek. It is a tranquil setting. The high cathedral wood ceiling with skylight creates warmth and grandeur which is a unique theme carried throughout the home. Wall sconces on either side of the bed are striking and functional for nighttime reading. The large Master Bath with artistic lighting and beautiful built-in cabinets offers separate rooms for the shower and commode.

Introducing a spectacular and captivating five bedroom, three-bath masterpiece. Truly one of a kind it has been created with an astute attention to detail. Designed specifically for this home by a San Franciscan craftsman are handmade iron railings strategically placed throughout the home for beauty and functionality. The majestic living room has an approximate 16-foot cathedral wood and beam ceiling with a gorgeous stained-glass skylight that is truly a work of art, and the wall of windows has automatic retractable shades.

This 3,782 square feet home was created thoughtfully to bring in an abundance of natural light. Floor to ceiling windows and French doors throughout showcase the various Yosemite - like scenes of the serene sylvan grounds, creek, ponds and gentle waterfalls. Nestled on a 38,057 square foot lot, it offers a unique sense of privacy while being just minutes from The Montclair Village.

As you enter the foyer there is an inviting natural stone wall with dramatic lighting, setting the expectation for more beauty to come. The living room also features Heart Redwood paneling and a wall of windows. It is mesmerizing. With floor to ceiling French doors there's a natural flow for indoor – outdoor entertaining.

The dining room has an incredible floor to ceiling window that frames the trees, creek and ponds. With Heart Redwood paneling and floor to ceiling French doors leading to a slate stone patio, one can imagine enjoying formal dinners and family gatherings. The glass and iron chandelier adds a unique touch of elegance.

The eat in kitchen offers windows overlooking the gardens, beautiful Caesar Stone counter tops, cabinets and dramatic lighting. It is well equipped with stainless steel appliances including a two-drawer dishwasher, for small or large loads, beautiful counter depth, Sub Zero refrigerator and a stainless steel gas stove. It is truly a home chef's delight.

Up a few steps from the main level you'll find a beautiful large bedroom with high vaulted ceiling. Across the hall is a separate full bathroom. The privacy it offers is ideal for overnight guests or it can be used as an office. The main floor also offers a library with floor to ceiling shelving, which surrounds the room. It showcases an exquisite natural stone wall.
